All new patients must have an initial examination and consultation before receiving chiropractic treatment. The initial visit is a comprehensive physical examination consisting of a detailed history, orthopedic, neurological, and chiropractic evaluations. Expect to spend 45 minutes to an hour for the first visit. The cost is \$205.

For all visits, payment is made directly to the office at the time of your visit. We will gladly accept cash, checks, debit and credit cards. If you have health insurance, we will provide you with a computer-generated form that is properly coded with our procedures and your diagnosis which you can submit for reimbursement to your carrier.

Fees paid to doctors of chiropractic are allowable deductions as expenses for "medical care" for Federal income tax purposes.

If you have an **HSA**, you can deduct payment for chiropractic services using your linked debit card or checking account.

All Medicare Patients: Chiropractic manipulation of the spine is the only covered service. Physical examinations, including the initial exam, and all other therapies/services are not covered by Medicare.

Cancellation Policy:

Altorelli Chiropractic and Wellness, LLC has a 24 hour cancellation/ rescheduling policy. If you miss or cancel your appointment with less than 24 hours notice, you will be charged \$50 the first time and full charge for every subsequent visit.

This policy is in place out of respect for our Doctor and our patients. Cancellations with less than 24 hours notice are difficult to fill. By giving last minute notice or no notice at all, you prevent someone else, who needs treatment, from being able to schedule into that time slot. Thank you for your understanding and cooperation.
